

IOT-SEMINAR MAY 2026
DO YOU KNOW THAT, POSSIBLY, THERE ARE NO ABSOLUTE TRUTHS?

Every year we, the German section of the Magical Pact of the Illuminates of Thanateros, I.O.T., hold public seminars in Germany where you can get to know us and our magical working methods in a multi-day-meeting.

The next seminar will be in spring:
29th - 31st of May 2026

Experience has shown that it makes sense to select the presented magical techniques and rituals depending on the interest, time and group dynamic of the participants. The whole spectrum of magical possibilities is open to us.

The seminar takes place in a seminar house in Taunus in Germany. You will get the exact address from us when you have registered and transferred the full accommodation costs.

Arrival on Friday is from 6 p.m., start is 7:30 p.m.

Accommodation in the house is in double or triple rooms. Limited single rooms are available on request.

If possible, please bring your yoga mat/seat cushion.

SEMINAR COSTS:

double room: **150€**

additional costs for overnight stays outside: **95€**

The seminar costs include breakfast and dinner, as well as tea and coffee.
